

# Venkatarangan Thirumalai

## Expert in Generative AI, Digital Transformation & Technology Leadership

I am a seasoned technologist, AI expert, and business strategist with over 25 years of experience in transforming ideas into impactful solutions. From advising technology startups to helping global enterprises integrate cutting-edge AI technologies, I am passionate about enabling organizations to achieve measurable growth and innovation.

As an Honorary Microsoft Regional Director and IEEE Senior Member, I have been a thought leader in areas like Generative AI, Large Language Models (LLM), and entrepreneurship. My expertise lies in crafting business solutions that optimize productivity and deliver tangible customer value. I've spoken on global stages, addressing entrepreneurs, technologists, and policymakers, sharing insights on responsible AI adoption, digital transformation, and business leadership.

# Speaking Engagements

**With a storytelling approach and a knack for simplifying complex topics, I deliver impactful sessions on:**

- Generative AI & AI Transformation
- Digital Transformation for Enterprises
- Entrepreneurship & Leadership
- Language Computing & Inclusivity in Tech

I focus on creating engaging, jargon-free presentations tailored to the audience, ensuring actionable takeaways.
